

CannabiGold

Golden CBD oil

Information

We would like to inform you that the CannabiGold brand has released our well-known oils in new glass packaging with a convenient atomizer to make the application easier and provide more accurate dosing. The use of glass packaging guarantees the optimal stability of the oil contained in the bottle. The improvement is a response to wide public consultation and numerous inquiries received from our clients.

As the packaging and the method of application of the product changes, we explain what exactly has been modified.

- **Name of product:**

| Before change | After change |
|--------------------------------|------------------------------------|
| CannabiGold Classic 5% | CannabiGold Classic 500 mg |
